ShopEase Cancellation Policy

This document is a fictional knowledge-base document created for the Customer Support Agent project.

Cancellation Window

Customers may request cancellation before an order enters the shipping process.

How to Cancel

Customers should contact ShopEase support as soon as possible and provide the order number.

After Shipment

Once an order has shipped, cancellation may no longer be possible. The customer may instead use the applicable return process after delivery.

Refund After Cancellation

Approved cancellations are refunded to the original payment method. Processing time depends on the payment provider.

Custom or Personalized Orders

Orders for personalized or custom products may have additional cancellation restrictions once production has started.
