ShopEase Product FAQ

This document is a fictional knowledge-base document created for the Customer Support Agent project.

How can I check an order?

Customers can provide their order number to ShopEase support to request the current order status.

Can I return an item?

Most eligible items can be returned within 30 days of delivery if they meet the return conditions.

How long do refunds take?

Approved refunds are processed by ShopEase after the applicable verification or return step. The customer's bank or payment provider may need additional time.

Can I cancel my order?

Cancellation is generally possible before the order enters the shipping process. Contact support as soon as possible.

What if my item arrives damaged?

Contact ShopEase support within 7 days of delivery and provide photographs when requested.

Does every product have a warranty?

Warranty coverage depends on the product and its applicable warranty terms. Eligible products may have a 12-month limited warranty unless otherwise stated.

How do I track shipping?

When tracking is available, ShopEase provides tracking information after the order is handed to the carrier.

Can I change my shipping address?

Address changes may be possible before shipment, but they cannot always be made after an order has shipped.
