ShopEase Return Policy

This document is a fictional knowledge-base document created for the Customer Support Agent project.

Overview

ShopEase accepts eligible returns within 30 days of delivery. Items must be unused, in their original condition, and include original packaging and accessories.

Eligible Items

Most products are eligible for return unless specifically marked as non-returnable on the product page. Personalized items, digital products, and final-sale items are not eligible.

Return Window

Customers must request a return within 30 calendar days from the delivery date.

Return Process

Customers can request a return through customer support. After approval, ShopEase provides return instructions. The item should be securely packed and shipped using the provided instructions.

Damaged or Incorrect Items

If an item arrives damaged, defective, or different from the item ordered, the customer should contact ShopEase within 7 days of delivery and provide photographs when requested.

Return Shipping

For defective, damaged, or incorrectly shipped items, ShopEase covers the approved return shipping cost. For other eligible returns, return shipping may be deducted from the refund.

Refund Timing

Refunds are generally processed after the returned item is received and inspected. The payment provider may require additional business days to display the refund.
